WEST HAVEN POLICE BUSINESS NOTIFICATION FORM

The West Haven Police asks each business to fill out a form, listing employees to be contacted in the event of an emergency. These forms are vital to the police department – We consult these forms to contact business owners or employees during non-business hours (nights, weekends, and holidays) when we've discovered a problem at the business. (A broken window, broken water pipes, etc.)

Any information you give is then entered into our Dispatching System, which allows our Dispatchers immediate access to your contact information. This enhances your business security. We ask that you contact us in the event any changes need to be made in the future. Any info you provide us is strictly confidential.

WHO DO YOU WANT THE POLICE DEPARTMENT TO NOTIFY AND HOW CAN WE DO THIS?

If you, as the business owner want to be the first one called please indicate this on the form, otherwise fill out the form as indicated. From our experience it is easier for all concerned if you have as a primary contact someone who lives in the immediate area.

**If you have any questions about this form,
Please contact the West Haven Police Department at 937-3900**
